INDOOR SOCCER TOURNAMENTS TO KEEP YOUR TEAM "GAME SHARP"

"The walled arenas at the Turff Club allow the ball to remain in play up to 95% of the game. This means more contact with the ball for the players, and a much greater opportunity to utilize Dribbling, Passing, and Receiving Techniques we stress at the younger age groups. Rather than waiting for the ball to be put back in play on a small touch-line field, players are constantly engaged in the game, and that is great fun."
